YOUR EXPERIENCE

THE ARRIVAL

Your plane descends towards Rovaniemi Airport, and you get your first glimpse of the winter wonderland where you'll spend the next few days.

As you step off the plane, you catch your first breath of the cold, clean air as you are welcomed by your personal host, who will look after you during your stay. Your first stop will be at our airport-based private lounge to get your winter clothing that will keep you warm and dry the coming days. You'll emerge into the cold air, wearing our comfortable, Arctic-proofed gear, ready for adventure.

YOUR EXPERIENCE

SEARCHING FOR NORTHERN LIGHTS WITH YOUR GUIDE

After a welcome meal, your guide will take you out to introduce you to the region. Once we're comfortable with our Arctic transport, your host will take you out in hunt of the Northern Lights, and show you the best places to spot the phenomenon.

During your stay your host will also keep an eye on the Northern Lights activity, and alert you at any time, should our skies be dancing.

YOUR EXPERIENCE

SNOWMOBILE ADVENTURE

A snowmobile ride is a highlight of any Arctic adventure, and not to be missed. After a brief introduction to safety and the controls of the snowmobiles, it's time to set off on our state-of-art snowmobiles for your tailor-made excursion into the wild. Through forests and over hills packed with snow, you'll drive deep into the wilderness where not many have been. You'll get the chance to let rip across a frozen lake and experience the speed, the freedom and the adrenaline rush that can only be had when these thrilling machines roar over the snow.

While a driving licence is needed to operate a snowmobile, children and those without licences get to enjoy being pulled along in a sleigh. Adults and older children can also share a snowmobile with the driver as you ride through the beautiful snowy landscapes.

YOUR EXPERIENCE

TIME FOR LEISURE

In the afternoon you will have time at leisure to enjoy many delights of Lapland. Your host can take you out tobogganing, skiing or for a snow shoe walk in the forest. Or perhaps you wish to visit the Santa Claus Village where you get to cross the magical line of the Arctic Circle, and send your Christmas cards from Santa Claus' Main Post Office. Alternatively you can visit the city centre, local natural attractions or simply enjoy cosy family time in your chalet.

YOUR EXPERIENCE

OCTOLA SPA

A brand new spa property is enhancing the Octola experience and makes Octola even the more unique. Octola Spa is the very first private spa in the Nordics - exclusively at our Octola guests disposal. Take a dip in the swimming pool, get your blood running in the cold water tank, and admire sceneries of the never-ending wilderness from the comfort of our cozy outdoor jacuzzi.

After the refreshing dip, you can finish up the spa experience by visiting our sacred room - the Finnish sauna - which is one of the most relaxing and purifying experiences you can do in Finland.

From our exclusive Spa Menu you get to choose a wellness treatment of your like and enjoy a pacifying massage in the Octola wellness room.

YOUR EXPERIENCE

HUSKY SLEDDING ADVENTURE

After tasty breakfast, your guide knocks on the door, ready to take you out for dog sledding.

At the husky kennel, you'll meet the dogs, their excited barks filling the air. You are provided with all the necessary equipment, and taught how to drive a team of dogs. With the children safely wrapped up in warm furs in the sleigh, you set off! As you slide through the snow and into the wilderness, the barking of the dogs subsides, and all you can hear is the pounding of paws and the sound of the sledge on the snow. Standing on the runners, by placing your weight, the dogs turn, and you are entirely in the moment. The white and magical landscape slips by as the dogs pick up speed. Their joy at pulling the sleigh is contagious, and you see broad, happy smiles on everyone's faces.

Afterwards you will have time at the kennel to visit the dogs and their puppies, while your chef is preparing you a forest meal that you will enjoy by a camp fire in a cosy, Lappish 'kota' building.

YOUR EXPERIENCE

REINDEER SLEIGH RIDE

For ages, reindeer have been the most significant and typical animals for Lapland. During your visit to the home of a reindeer, you will get to know the traditions of reindeer herding and enjoy a leisurely reindeer sleight ride.

On your arrival, there is a reindeer waiting for you to hop on the sleigh. Warmly wrapped and tucked in the sleigh, you start a journey in the forest.

The reindeer will pull you through the forest, and introduce you to the life of a reindeer, until you arrive to a Lappish kota where the reindeer herder is waiting for you with a lunch and so many stories to tell. While you enjoy a warm drink by an open fire, you will hear fascinating stories about the life in Lapland that evolves around the reindeer.
